

Academic Advisement for Graduate Students

Mosaic offers graduate students the Academic Advisement report tool as a method of tracking your progress towards graduation via completion of your curriculum requirements.

Please note:

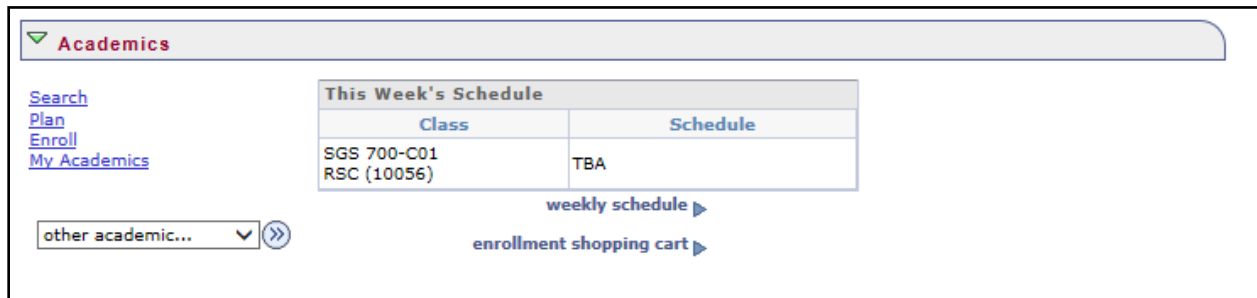

**** The Advisement Report is a tool to audit degree requirements. Curriculum requirements are outlined in the School of Graduate Studies Calendar, in any given year, and are subject to change.**

It is the responsibility of the student, in consultation with their Program, to ensure that all requirements have been satisfied. **

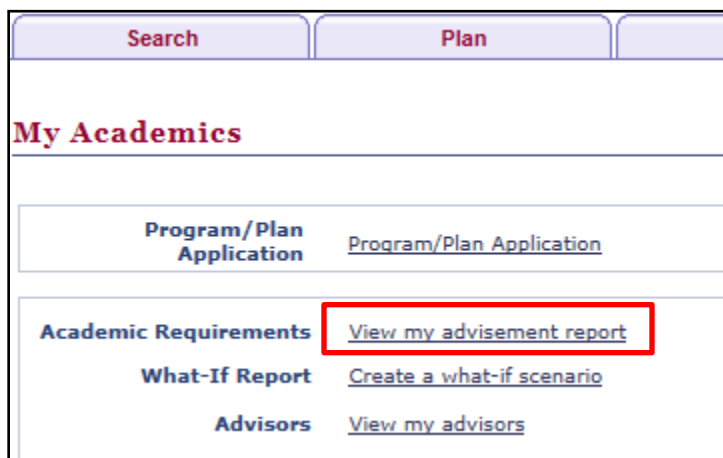

Accessing your Academic Advisement Report:

Your academic advisement report can be accessed via your student center.

- 1) Navigate to your student centre and select **“My Academics”** under the **Academics** tab.

- 2) Under **My Academics**, select the **“View My Academic Advisement Report”** link.

- 3) The advising report is specific to your program and plan. It will outline your academic progress as a graduate student.
- 4) Click the **“expand all”** button to view the details of each element in the report.

- 6) Failed courses will show at the bottom of the report in the **“Additional Elective Courses (Non-Prescribed)”** section and will not count towards completion of curriculum.

Additional Elective Courses (Non-Prescribed)

Elective or additional courses do not normally count toward degree requirements for the Program and may reflect course requirements assigned by the supervisory committee or Program Advisor.

The following courses were used to satisfy this requirement:

Course	Description	Units	When	Grade	Status
NURSING 711	Adv Practicum In Nursing	3.00	2015 Fall	F	

View All | First 1 of 1 Last

- 7) Progress can be monitored as a student completes various elements and each element will show as **“Satisfied”** once completed.

Not Satisfied: Health Research Methodology - M.Sc. (THS) Requirements
